

## **List of combined courses we have done during our employment at Telkom SA**

2 Mb/s Digital Microwave System (PDR 23)  
4x2 Mb/s Digital Microwave - CTR 210  
A-Course [Teltra/Tegop]  
ADSL CPE Installation & Maintenance  
ADSL: DSLAM & SOA Introduction  
ADSL: Introduction  
Advanced 4x4 Driver Training  
Advantex P3: Non-Voice Mobile Operations  
Agilent RF Spectrum Analyzer  
Alcatel ISAM: CNFO 1st Line Maintenance  
Alvarion MGW and eMGW System for CNO  
Alvarion MGW and eMGW System: Overview  
ALVARION MGW System: Mntce Overview  
ASSIA DSL EXPRESS CLEARVIEW  
ATM: 36170 Switch  
ATM: Technology  
B-Course [Teltra/Tegop]  
Basic Cisco Router Installation & Maint.  
Basic Management Principles  
Basic Off-Road Driver Training  
Basic Rate ISDN For CNFO  
BCM Awareness for Operational Levels  
C-Course [Teltra/Tegop]  
CNFO : Customer Care  
CNO WebFORCE Activity & Surv. Operations  
CNO WebFORCE Field Operations  
Confined Space Gas Detection Level 2  
CT2 for CPE  
Data Communication & Network Technology  
Defensive Driving  
Digital Loop Carrier: DCS30  
Digital Microwave System – GTE  
Digital Microwave System – SEL  
DWDM: ADVA FSP 3000 System

DWDM: Siemens hiT 7500 Repeater

E10 CU memory and message analysis

E10 faults alarms and circuit groups

E10 introduction

E10 OMC 2G

E10 routing and charging

E10 switching and control block

E10: Introduction to UTC

E10: Terminal Multiplexer

Electrical Installation Regulations

Emergency Planning Committee

Energy: Housekeeping of Plant Rooms

Enterprise Risk Management

Environmental Awareness

Ethernet Fundamentals

Ethics

EWSD: Introduction to DLU

EWSD: Introduction to System

EWSD: Overview

Fall Arrest

Fall Arrest Re-Certification

First Aid - Level 1

FTTH: Alcatel GPON 1st Liine Maintenance

GPON Introduction – Alcatel

GPON Overview

Grade 12 – Commercial

Groupwise: Basic

HDR4 Microwave System

Health and Safety for Operational Staff

HIV/AIDS:Information for Everyone -Txt

HOM and Optic Transmission: Introduction

Huawei GSM Fundamental

Huawei WCDMA Fundamentals

I.O.D & Incident Management

ICASA Compliance – Everybody's Business

Introduction to Mitrax and Autrax

Introduction to VTI metering

Introductory Course [Teltra/Tegop]

ISDN Protocol and Testing

Job control system

LAN: Technology Overview

Management and Administration procedures

Mast & Tower Safety: Prac. Assessment

Metro Ethernet Service Aggregation Switch

Metro Ethernet: Service Route

Microwave: Siemens SDH System - SRT 1C

MINI-LINK TN Operation & Maintenance

MINI-LINK TN R4 Operation & Maintenance

MS-DOS: Basic

MSAN e-lock Operation

MSIS: Performance Management

Multi Service Access Node Overview

Nat Cert: Technicians -Telecommunication

Nat Dip: Technicians

Net Promoter Score Basics

NG SDH: SURPASS hiT 7070 O&M

NGN Elementary

NGN Essentials Introduction

Observations and general procedures

OCB283 PGS & TI

OCB283 R21 Evolution

OCB283: Connection and Control

OCB283: CSE Maintenance

OCB283: CSN Maintenance

OCB283: CSN-HD Maintenance

OCB283: File Handling

OCB283: ISDN Maintenance

OCB283: R25 Upgrade

OCB283: SMM Operations and Maintenance

Optic Fibre: 1521FL 4x2 Mb/s System

Optic Fibre: DWDM – Introduction

Optic Fibre: Remote Fibre Testing System

Optical and WDM Network Principles

Radio: Fundamentals

Rectifier: ASM Switch Mode (180A)

Rooftop Safety Training: Tech Officers

SAIE PDH and SDH Radio Links ALS Series

Satellite: Skystar Advantage (Lotto)

Satellite: VSAT DirecWay 1000/2000

Satellite: VSAT Remote (Hughes)

SDH: Add-Drop Mux -SMA1/4

Skystar Remote, DAMA2, SkyBlaster 360E

STP: Overview

Telecoms Network: Power Maintenance

Telematics: Products and Services

Telkom Mobile: Technology Overview

Telkom Network: Introduction

TELLABS 8100: Network Overview

Terminal management and software

Transmission Principles

Transmission: 2Mb/s Inst & Mntce

Transmission: Digital Principles

Transmission: HDSL – ECI Exline 2

Transmission: SDH Orientation

Transmission: SXA Cross Connect

VSAT: DirecWay 6000 Series Inst & Ops
